Fundraising Policy

1. Purpose

This policy sets out how Emmanuel Christian Fellowship-MP approaches fundraising and the financial support of the church's charitable activities.

The church does not ordinarily undertake fundraising campaigns. This policy is intended to ensure that, if fundraising is undertaken, it is conducted transparently, responsibly and in accordance with the Code of Fundraising Practice.

2. Current Position

Emmanuel Fellowship is an independent Christian church whose charitable purpose is the advancement of the Christian faith through worship, prayer, teaching and pastoral care.

The church is funded primarily through the voluntary tithes and freewill offerings of its members and regular worshippers. These gifts support the ordinary work and ministry of the church.

The church does not currently undertake public fundraising campaigns or seek donations from the general public.

Any future fundraising outside the normal giving of tithes and offerings will require the approval of the Trustees.

3. Future Fundraising Campaigns

If the Trustees decide to undertake a specific fundraising campaign in the future, they will ensure that:

- the purpose of the campaign is clearly explained;
- donors are informed how their donations will be used;
- any restrictions on the use of funds are clearly stated;
- where appropriate, donors are informed what will happen to their donations if the fundraising objective cannot reasonably be achieved or the project does not proceed;
- fundraising information is accurate, consistent and not misleading;
- fundraising activities comply with the Code of Fundraising Practice and any applicable charity law.

4. Financial Accountability

All funds received by the church are recorded in the church's accounting records and applied solely in furtherance of the church's charitable purposes.

The Trustees are responsible for ensuring that church funds are properly managed and accounted for in accordance with charity law.

5. Complaints

Any complaints relating to fundraising will be handled in accordance with the church's Complaints Policy.
